

The Sasamat Volunteer Fire Department would like to thank Owner Paul Droulis and his Canadian Tire Coquitlam family for their generous donation!

The SVFD has launched a fundraising campaign to enable the purchase of 20 new SCBA (Self-Contained Breathing Apparatus) units. The updated SCBA units are safer and will give us significantly more time and energy to protect and serve our communities, neighbors, friends and loved ones.

Paul's donation will support the purchase of an entire new SCBA unit. We have only 19 more units to go!

Paul has also asked that we share his friendly challenge to residents of Belcarra and Anmore, and to local businesses, to help support our Sasamat Volunteer Fire Department as he did.

To learn more please visit www.svfd.ca or contact Neil Belenkie at neilbelenkie@gmail.com or (604) 839 5313.

Thank you again Paul, to you and your whole Canadian Tire Coquitlam family!
