Belcarra has a new WARD Attendant

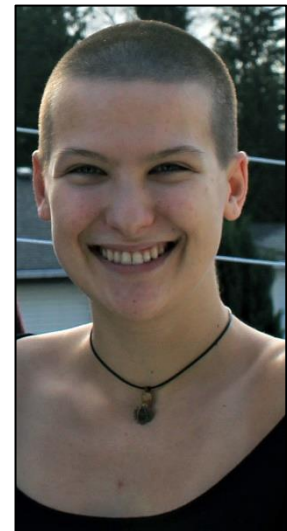

The 'Village of Belcarra' is pleased to announce the appointment of **Shea Kroutil** for the contract position of WARD Attendant.

Shea has 4 years' experience working with 'Smithrite', doing roll-out projects and working with waste and recycling logistics.

Shea will work Thursday through Monday each week, with Public Works covering for Tuesdays.

We are very grateful to Maureen Jamieson, Dave Warren and Don Babineau for their assistance during the transition period. They all have contributed so much to the function and promotion of the WARD, making Belcarra's recycle facility the success it is today.

Please join us in welcoming Shea to our Village staff.

Shea Kroutil
