

**Belcarra
2003 Community Shuttle
Program**

November 18, 2002
Belcarra Municipal Hall

Three Year Transportation Plan

- Building a network of routes
- Northeast Sector improvements:
 - Millennium Line
 - #97 B-Line (rapid bus)
 - West Coast Express
 - Community Shuttle

Community Shuttle

■ Objectives:

- Better fit in small transit markets
- Lower cost and reduced subsidy for taxpayers

■ Benefits:

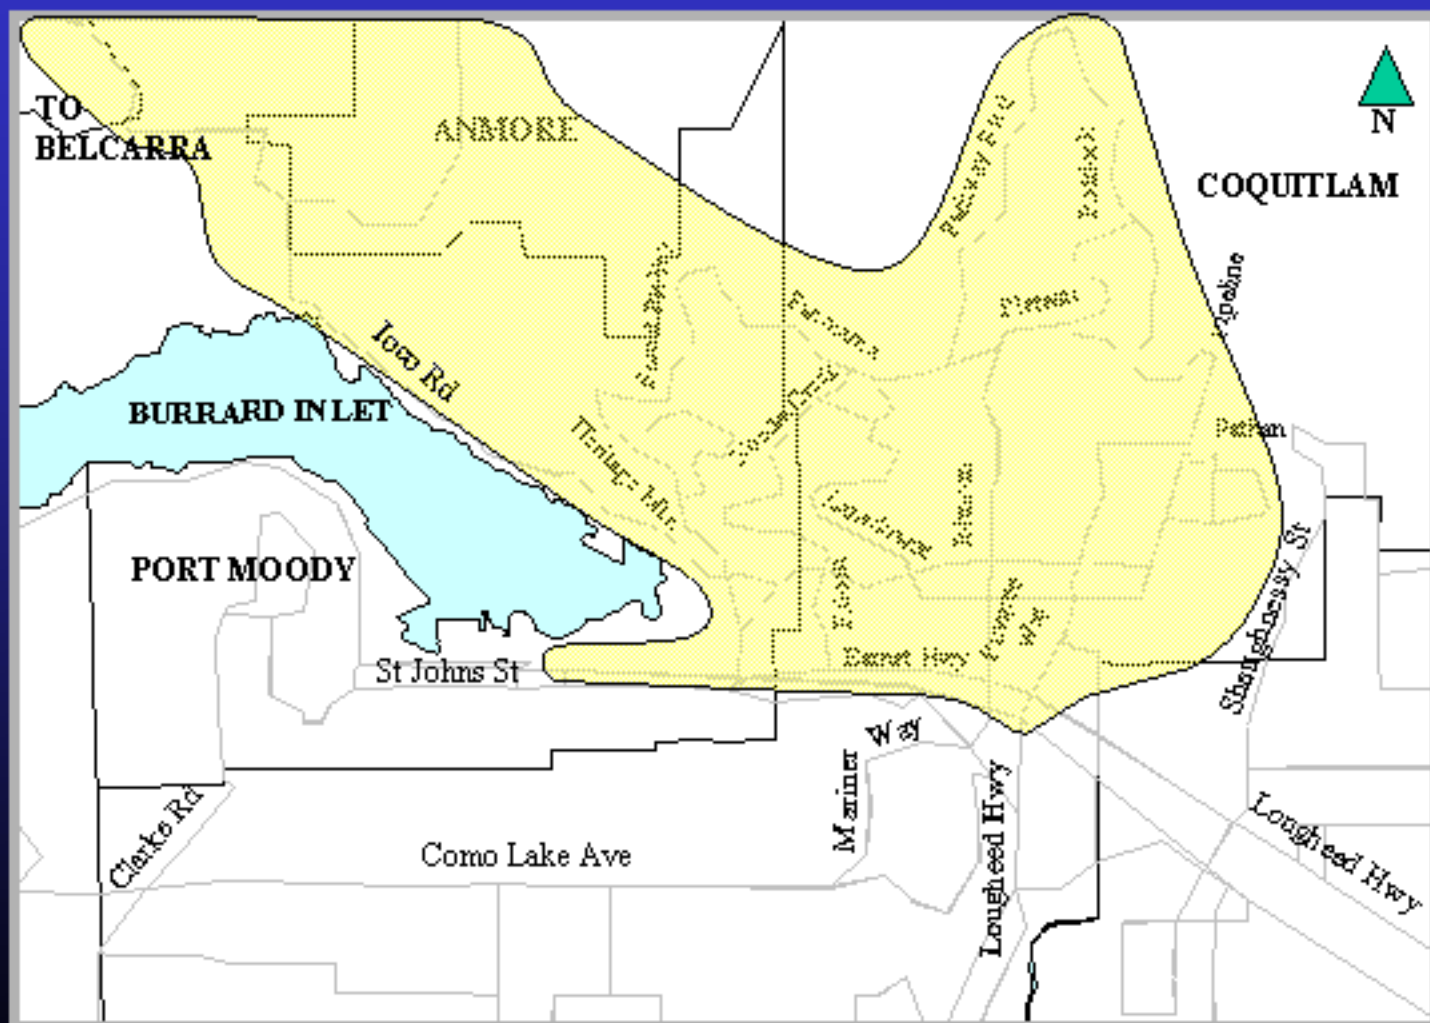

- Improved mobility
- Connector service to major routes
- Less intrusive than conventional buses
- Greater customer and community support

Belcarra Community Shuttle

- More flexible service
 - Belcarra Village
 - Sasamat Lake (seasonal)
- Increased frequency and hours of operation
- Connection to major hubs and town centres
- Potential for innovation

Approximate area of local transit study Anmore / Belcarra / Heritage Mountain / Westwood Plateau

Note: the exact service coverage area will be developed through community and stakeholder consultation

Community Shuttle Service

- 22 passenger minibuses with wheelchair lift

Consultation Process

- **Nov 2002:** Input from stakeholders
- **Nov 2002:** Workshops in community
- **Jan 2003:** Open house meetings
- **Jan 2003:** Finalize network plan
- **Feb 2003:** Request for Proposals to operate
- **Feb 2003:** Place orders for new vehicles
- **May 2003:** Award Operating contract
- **Fall 2003:** Service introduced Sept – Dec.

Belcarra Community Shuttle Proposed Route Map
