

Mayor's Report

Larry Scott departs after 32 years as 'Superintendent of Public Works'

Larry Scott

Council was recently advised that Larry Scott would be leaving Belcarra's employment effective Friday, March 3rd, 2017.

Larry Scott's 32 years of service as Belcarra's Superintendent of Public Works and Building Inspector is a remarkable achievement, and worthy of special recognition.

Two years ago, Larry Scott retired after 32 years as SVFD Fire Chief and 37 years as a charter member of the Sasamat Fire Department. Larry Scott's name is synonymous with the spirit of volunteerism and commitment to public service within the communities of Anmore and Belcarra.

On behalf of all the Belcarra residents, Council wishes to thank Larry for his 32 years of service and many contributions to the development of Belcarra as a community.
