Please Join Us...

The Village of Belcarra's **Zoning Advisory Committee** will be hosting its **third and final public open house** on **Wednesday, January 24, 2018** at the Belcarra Village Hall.

The Zoning Advisory Committee is currently in the final phase of its process and has prepared a set of draft recommendations to Council for updates to Belcarra's Zoning Bylaw. **No final decisions have been made. Council, not the Committee, has final authority to make any changes or updates to the Zoning Bylaw. If Council decides to move forward with changes to the Bylaw, there will be further opportunities for public input at that time.**

This open house will provide an opportunity for members of the public to review the Committee's draft recommendations to Council and to offer feedback. Following the open house the committee will finalize its recommendations and present them to Council.

We are excited to share our progress with you and look forward to hearing your feedback at this important milestone. Members of the Committee, Municipal Staff, and members of the consultant team will be present at the open house to answer your questions. **A short presentation will be given at 6:45 pm. Members of the public are encouraged to attend early to review the display material prior to the presentation.**
