

VILLAGE OF BELCARRA
Notice of Watermain Armouring Repair
July 4 to 5, 2019
7:00 AM to 4:00 PM

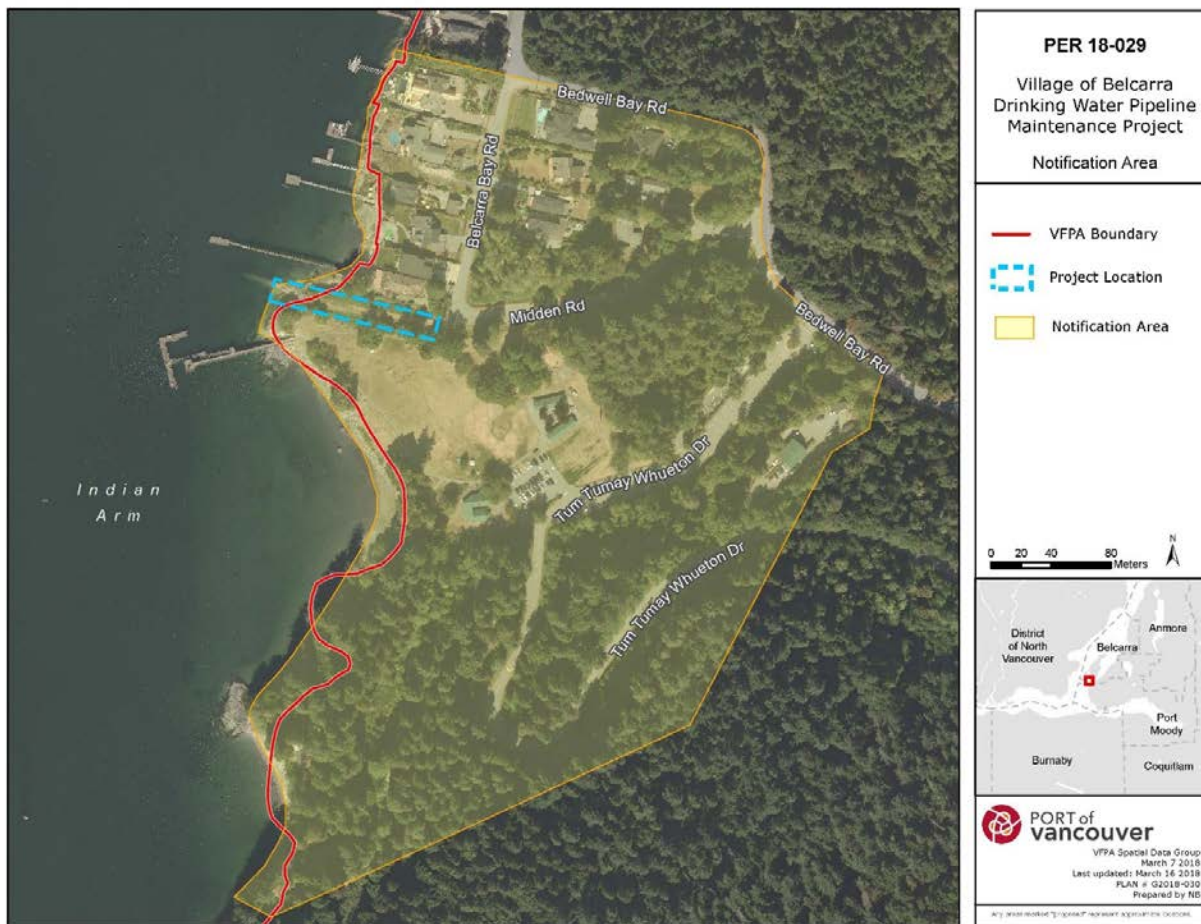

June 28, 2019

The Village of Belcarra is having a watermain armouring repair to the watermain at Midden Road and the foreshore. Spence Trucking Ltd. has been hired to complete this work. The watermain has become exposed and requires rock rip rap armouring to protect it from damage.

During construction hours of 7:00 AM to 4:00 PM on July 4 to 5, 2019 your patience and cooperation is requested. At times there will be truck traffic, marginal vehicle delays, and an increase in noise may be experienced. Care will be taken to ensure the safety of motorists and pedestrians during this period.

We apologize for any inconvenience the work may cause. Thank you for your cooperation and for assisting us to complete the project successfully.

If you have any questions or concerns, please contact Bernie Serné at 604-937-4100 or bserne@belcarra.ca.
