VILLAGE OF BELCARRA
Resident Emergency Contact Information
January 20, 2020

During the recent extreme weather conditions, there was an incident at the home of a resident who was out of the country.

The resident had filled out an Emergency Contact form which provided the office with a contact number for a family member who could take care of the issue in the absence of the owner.

Attached is a copy of the Resident Emergency Contact Form. Please fill it out, if you have not done so already, and return it to the office for our files. The information will only be used in an emergency but will provide peace of mind for anyone travelling for extended periods of time.

Thank you,

Belcarra Public Works

On the front lines of Belcarra's Public Works (below from left to right) are Brad Smith and Doug Bakker, Public Works and Utilities Maintenance Workers, and Stewart Novak, Public Works and Emergency Preparedness Coordinator. They are also known as the Belcarra 'Snow Angels' working hard throughout the day and night to maintain roads by salting and ploughing so that it is safe for travel by Belcarra residents and their guests.

"Hi Doug and Brad ,
I just wanted to send a Huge
THANK YOU from my family for all
the work that you have done to keep
our roads safe and clear.

We hear the plows through the night and
while out walking tonight I saw the plows at
work .

I can appreciate that you have worked long
hours and it's a great comfort when I get in my
car knowing that you have done all that you
can to stay on top of the changing conditions

Thank you again !"

**VILLAGE OF BELCARRA****Introduction****Stewart Novak****Public Works & Emergency Preparedness Coordinator**

January 2020

**The Belcarra Village Office has a new
Public Works & Emergency Preparedness Coordinator**

The Chief Administrative Officer, Council and staff are pleased to announce that Stewart Novak has joined the Village as the Public Works & Emergency Preparedness Coordinator. Stewart will also manage Bylaw Enforcement for the municipality.

Stewart comes to us with a wide range of experience and qualifications. He worked for the Port Coquitlam Fire Department for 27 years as a Captain and for the past 10 years has held the position of Captain of Fire Protective Services and was Assistant Chief. In this role, Stewart worked closely with the City of Port Coquitlam Bylaw Department conducting property use investigations and with the Building Department regarding matters such as new business license inspections. He also maintained contact with the Public Works and Engineering Departments plus was part of the Emergency Preparedness Program. Stewart has done public training in various areas of Emergency Preparedness.

Stewart has a certificate in Emergency Management and a Fire Prevention Officer certificate from the Justice Institute of BC plus a certificate in Local Government Administration received from Capilano University.

Stewart is available to be contacted at the Village Office at 604-937-4100.

Please join us in welcoming Stewart to our Village staff.

Belcarra Blockwatch

Submitted by Diana Drake and
Carol Drew

In the first week of January 2020 there were three residential break and enters in Anmore. All three homes were accessed by a thief or thieves through a basement door or window. Money, cheques and a computer were taken. Although Belcarra has an extremely low crime rate, it is not immune. In 2019 we also saw some B&Es. An attempted home invasion on Belcarra Bay Rd. was thwarted by locks and an alert resident as recently as November 10th.

To reduce the risk of burglary, review the following 10 home security tips recommended by the RCMP:

1. Lock all doors and windows, even when leaving briefly.
2. Keep windows covered and valuables out of sight.
3. Install motion sensor lights.
4. Trim shrubs and brush near home to eliminate hiding spots.
5. Install a security system and /or place an alarm sign in driveway/window. Purchase a camera and make it visible.
6. Lock up tools, ladders, bicycles etc.
7. When out or away leave a radio on.
8. Do not announce your vacation or trips on social media.
9. If you are away, have a neighbour park their car in your driveway periodically. Have someone pick up flyers, newspapers etc. Use light timers and have someone check your home if you are away for more than five days. (Most home insurance policies require this.)

10. Finally and most importantly, get to know your neighbours and alert police immediately if you see anything suspicious.

Stories From The Archives —

Arrival of the First Steel Rails at Port
Moody

Researched By: Ralph Drew, Belcarra, BC, December
2019.

Source: Mainland Guardian, Thursday, March 8th, 1883

Port Moody — The first of a fleet of ships with the steel rails, arrived in English Bay on Thursday [March 1st, 1883] and is presumably at the wharf [in Port Moody] by this time [March 8th, 1883].

The steamship 'Victoria' leaves San Francisco for Port Moody, with locomotives, on 6th inst. [instant = same month = March 1883].

Quite a number of land speculators are now at the [railway] terminus [in Port Moody], "spying out the land", and the early approach of the [land] boom is looked for.

A large number of buildings are under contract and construction will commence as soon as the [sidewheeler] 'S.S. Maude' gets around with [building] materials.

Grading [of the railway bed] is progressing very favourably but, of course, will advance more rapidly when the rails are laid on the portion completed.

The choppers [right-of-way clearing crew] have crossed the Coquitlam [River].

Surprisingly the jointly sponsored CRAB and local boaters from the Port Moody Power and Sail Squadron, Santa Parade Saturday 7th December 2019 attracted over 70 spectators, toddlers and infants, including 35 children who signed "Santa's Great Book". An armada of decorated vessels accompanied Santa's floating sled while he was escorted by the Royal Canadian Marine Search and Rescue detachment. Many of the seafarers, including PMPSS and the resident of Boulder Island, contributed funds to create a spectacular fireworks display from the island.

In response to frequent requests, CRAB again will sponsor a Pub Night with an Irish theme Saturday 14th March at the Village Hall Tavern. By doing pre-sales, CRAB's savings are passed on to you and for only \$20 you can obtain a delicious BBQ chicken dinner prepared by Henry's which includes a beverage token for a beer or wine. Please purchase tickets early to avoid disappointment. The past events have been sold out well in advance and before deadline. Ticket pre-sales and reservations can be made by dropping off a cheque or cash to the village hall marked "Pub Nite", or sending an e-Transfer to crab4084@gmail.com.

The annual CRAB Easter Pancake Breakfast and Egg Hunt is scheduled for 12th April Easter Sunday at the Village Hall Bistro. More information to follow in the March edition of the Barnacle.

'Enjoy living in Belcarra; paradise this side of paradise'

Happy New Year! (8.333% of the year late on that greeting) Yikes, how is it as one ages, time flies faster?

I trust everyone has had a great start to 2020 and Christmas cleanup hasn't been overwhelming. I have quite enjoyed cleaning up as I put away the decorations. Each year I am visibly more organized in my sorting and storage. The boxes are now safely tucked away with keepsake ornaments (some easily over 40 years old) and my collection of Nativity Scenes.

The Valentine hearts are sharing the space with my snowflake wonderland in the kitchen. Yeah, it's my fault it's been snowing. The kitchen feels magical with all the snowflakes, so they will stay there until the end of February.

Most of us may not be thankful for the snow and ice that affects the roads and adds some driving stress, but here's hoping the mountains get a lot of snow. I am very hopeful to get out snowshoeing and x-c skiing this year. What a blessing we have choices of ski hills within two hours and even more within 6 hours. For those of you that enjoy snow sports. Have fun!

I was very thankful to be a part of the Audubon Christmas Bird Count that was led by Burke Mountain Naturalists. I saw a few new to me species. It was a delightful morning. If anyone loves nature and the outdoors you should check out

Belcarrian since 1967!

We are a professional family with 2 kids (age 11 and 16) currently living in Belcarra. We have 2 friendly dogs who are part of our little family.

We have lived here for the past 5 years, but the owner has now decided to sell the house. So unfortunately we need to move.

What we are looking for:

- Minimum of 3 bedrooms, a garage and a (fenced) yard.
- Desired rent range = \$2300-2600
- A minimum 1 year lease would be preferred.

We have several excellent references of previous landlords.

We are a very tidy family and I always keep our house in in perfect condition. I could take on all the small maintenance around the house or possibly do the entire property management if desired.

Feel free to check with our references to verify.

On Sunday January 12, 2020, we received a phone call from Mr. Chris Doyle, Deputy Chief, Ministry of the Environment, South Coast Region, in regards to the "Anmore Bear Incident" that occurred January 8 - 9, 2020. During this phone call Mr. Doyle stated that neither of us committed an offence and informed Michael that he would no longer be facing any enforcement action. Mr. Doyle stated that this incident with the bear cub had "taken on a life of its own" and he seemed shocked at how much anger was being directed at the B.C. Conservation Officer Service by the general public. (In our minds this anger and negative press is completely warranted and we feel that the BCCOS is antiquated and needs a complete overhaul by the provincial government). Mr. Doyle admitted that the incident was not handled properly by the BCCOS and will be discussed internally with staff in an effort to recognize the mistakes that were made and what changes and recommendations can be made going forward.

To clarify: acting in good faith and assisting a qualified professional in transporting to a permitted facility is NOT an offence under the Wildlife Act. The temperatures were sub zero, the weather changing, the bear was emaciated and was observed over 16 hours. The BCCOS failed to attend and assist the bear and the public. A qualified professional volunteer brought the bear to a permitted facility. Assisting in such a situation is not an offence.

We received an enormous amount of support from many individuals, nonprofits, and the media over the past few days and we would like to thank everyone for their support and kind words. Thanks to Nathan Wagstaffe at Critter Care Wildlife Society in Langley, Trish Boyum at Stop The Grizzly Killing, Michael Howie at Fur-Bearers Canada, Lesley Fox at Fur-Bearers B.C., Bryce Casavant a former CO Officer who in 2015 earned international attention when he respectfully declined an order to destroy two bear cubs, and Ellie Lamb at North Shore Black Bear Society for all of your support and advice. Also a special shout out and thank you to Fur-Bearers B.C.'s experienced wildlife volunteer, Marcia

Potter, who transported the young bear to Critter Care Wildlife Society, an authorized rehabilitation facility, and helped give this little cub (now known as Bear #10) a second chance at life.

Many individuals offered financial support during the past week, and although greatly appreciated, we have declined all offers. Instead we would ask you to consider making a donation to one of the following organizations that work to protect B.C. bears and their habitat.

We are forever grateful for all of the help that everyone gave us. THANK YOU SO MUCH!!! We also want to thank all of the wonderful people on social media that supported us and wrote letters to the government advocating for B.C. wildlife. Thank you all so much!!

Finally we would encourage everyone, especially those of us living in bear territory, to be "Bear Aware". Have a better understanding of bear behaviour, learn how to minimize human/bear interactions/conflicts, and do our part to keep bears wild. It is of vital importance for all of us to learn of the issues affecting BC bears and the necessity to preserve BC bear habitat.

Sincerely,
Corinne and Michael Robson
