A new Community Bulletin Board has been created on the Belcarra Website. The Community Bulletin Board is for residents to post notices to neighbors i.e. items for sale or services such as babysitting / lawn cutting.

Notices will remain on the Board for a 2 week period.

At the top of the home page <https://belcarra.ca/> there is a link to the Community Bulletin Board.

Please contact the Village office for further information or to provide a notice for posting.
