

ARE YOU A SENIOR IN NEED OF GROCERIES OR OTHER SUPPLIES

Hello,

Sorry if this note catches you off-guard. We know that senior citizens and elders are especially vulnerable under the current circumstances of Covid-19.

If you're a senior/elder person or someone in poor health in Belcarra, and if you're reluctant to step outside into crowded spaces to shop for groceries or supplies, we would like to help.

I - along with my wife - am volunteering to pick up groceries and supplies and drop it off to your door. We will deliver them in the most hygienic way possible.

Please let us know if you're in need, or know of a family member or individual who could make use of this volunteering service.

Thank you and stay safe.
