

Hello,

If you are in need of non-medical help, please

call or text: **604 724 8972**

We can drive around to get your groceries delivered to your door or help problem solve around other issues that may come up.

My profession is registered clinical counsellor specializing in dementia, depression, anxiety and aging and my husband is a handyman.

Wishing you all strength during this unusual time

Nadine & Niels Bohnen - Jans
