Notice Regarding Organic / Green Waste Bin

March 23, 2020

Please refrain from using the Organic / Green Waste Bin for yard clean up and clearing of branches etc.

The Organic / Green Waste Bin is to be used for residential kitchen waste, grass clippings and occasionally tree branches.

With the current health situation, residents are spending their time Spring cleaning their yards. While your enthusiasm is applauded, the overabundance of yard waste is filling up the bin and residents are not able to dispose of organic kitchen waste.

Please dispose of large quantities of yard waste at the following:

Coquitlam Transfer Station
1200 United Blvd.
Coquitlam, BC V3K 6T4
