

A Message from Fraser Health

Fraser Health has created tips for celebrating the winter holiday season (Christmas, Hanukkah, Kwanzaa and New Year's) in a COVID-19-safe way. The new COVID-19 Winter Holiday Guide is available on the Fraser Health website [at this link](#).

All residents are requested to stay apart now so everyone can celebrate together in good health, when it is safe. This includes no in-person holiday parties at home, at the workplace or in the community.
