

VILLAGE OF BELCARRA

Notice of Low Level Flying Over Metro Vancouver Regional District

September 23, 2021

Fortis BC has sent the following notification with regard to Low Level Flying Over Metro Vancouver Regional District. Please see the attached map for more information.

“Notification of Low Level Flying over the Metro Vancouver Regional District

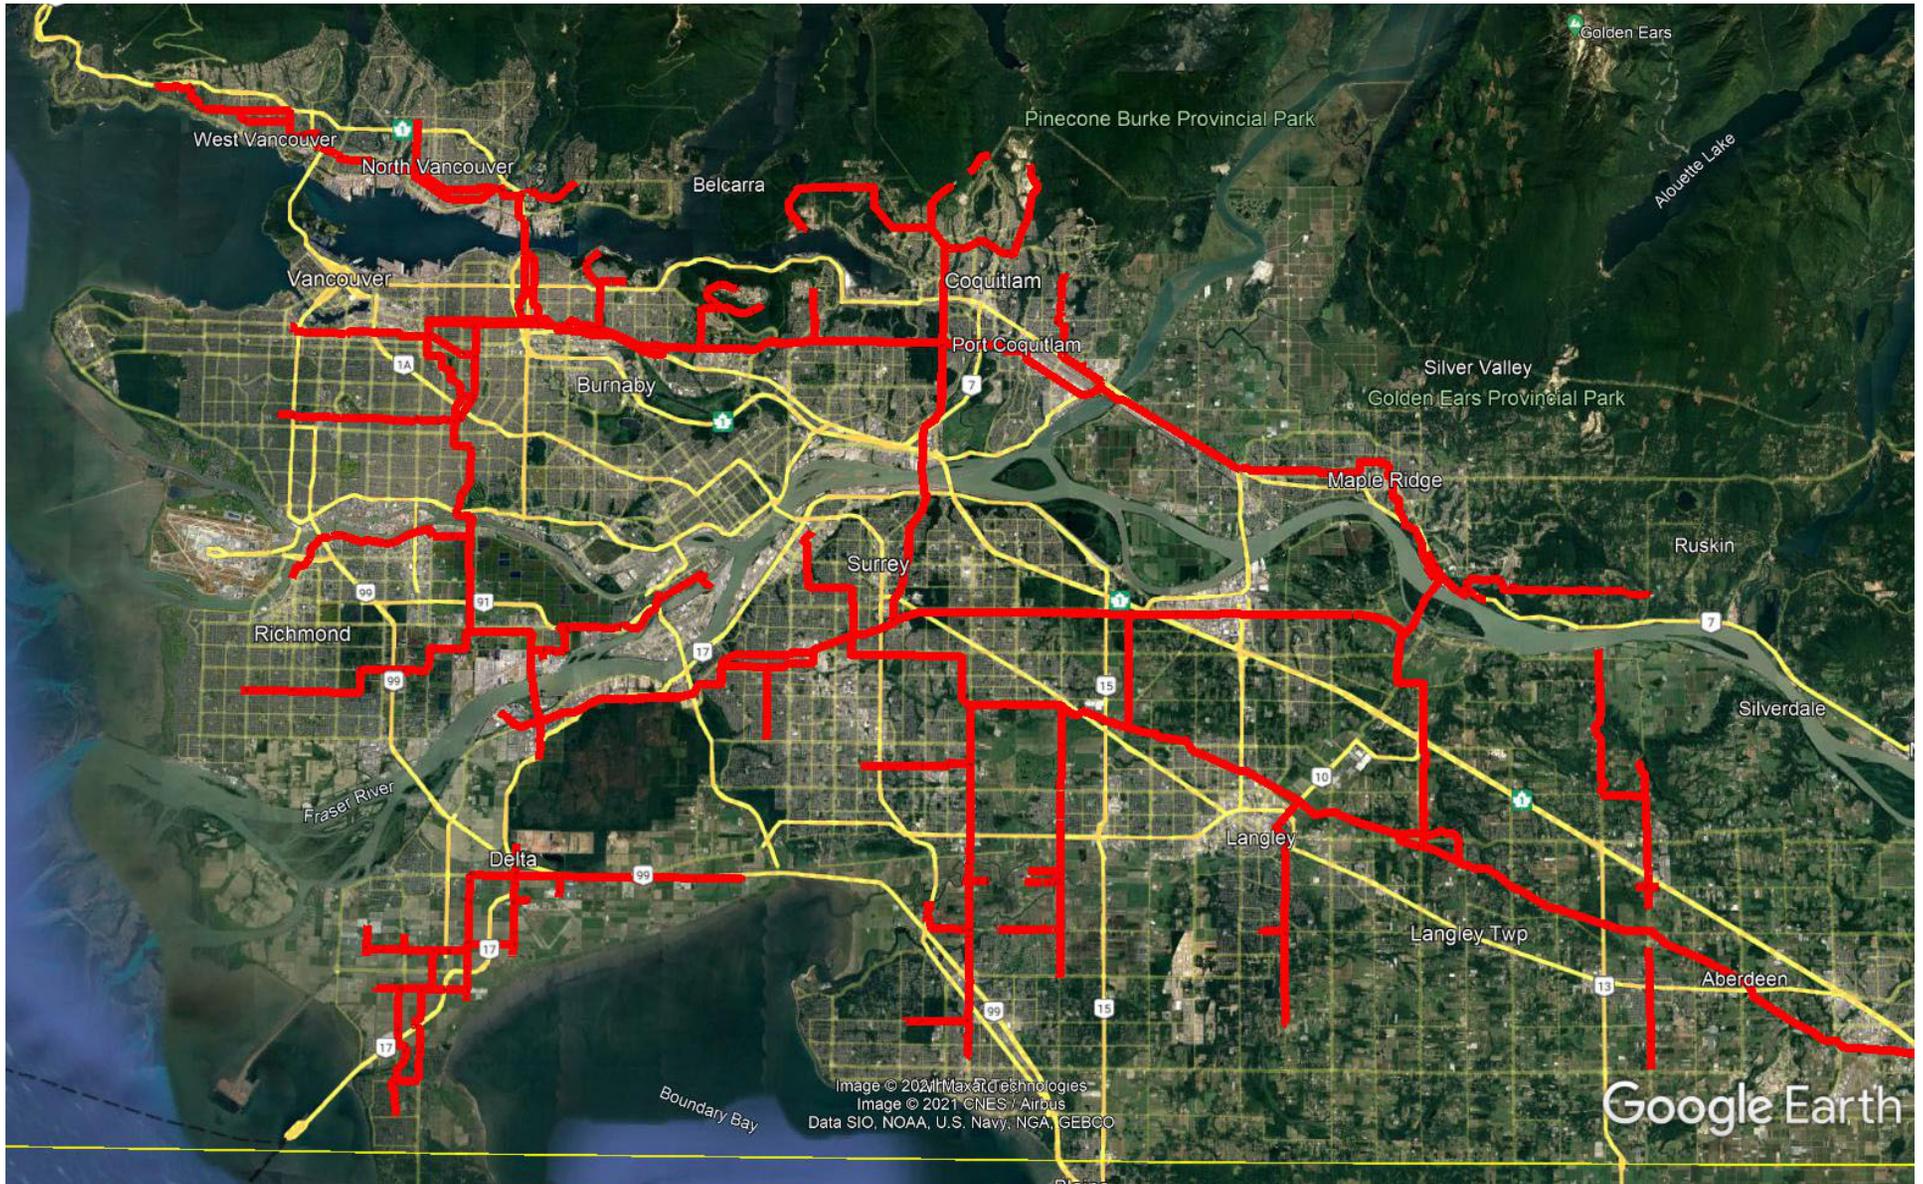

Talon Helicopters will be performing low level flying for a leak detection survey with LaSen Inc. for Fortis BC between September 24, 2021, and October 31, 2021, during daylight hours, per Special Authorization issued by Transport Canada.

There are 23 regional districts in BC that we will pass through, therefore the flight time over a single area will be minimal. There will be no activity on the ground related to this flight.

A map of the relevant work zones is attached for your reference. The affected areas include:

- District of West Vancouver
- District of North Vancouver
- City of North Vancouver
- City of Vancouver
- UBC
- City of Richmond
- City of Burnaby
- City of New Westminster
- City of Port Moody
- Village of Belcarra
- Anmore
- City of Coquitlam
- City of Port Coquitlam
- City of Pitt Meadows
- City of Maple Ridge
- City of Delta (Ladner)
- City of Surrey
- City of White Rock
- Township of Langley”

This notice has been provided for your information.
