June 30, 2022

Hello Belcarra residents,

I want to report that Lorna Dysart has left the employment of the Village as of June 30, 2022. Lorna started with the municipality in 2015, and her contributions since that time have been very significant and noteworthy. We sincerely hope that Lorna will enjoy her well-deserved retirement, and she will be missed by her many friends and acquaintances in the Village.

I also want to let our community know that Dennis Back, our Acting Chief Administrative Officer, will be leaving us on June 30, 2022. His work ethic and his willingness to engage in a positive manner that entailed listening and problem solving were appreciated. His experience, his knowledge and skills assisted us as we navigated a variety of situations. The outcomes of his work and his engagement style have helped our Village at a critical time.

When Dennis spoke to us about joining our team on a temporary basis, he outlined a timeline and his commitment. As circumstances changed which caused the timeline to be exceeded twice, he indicated that he would continue to serve but would need to leave as summer approached. Dennis has graciously offered to support us on some individual tasks and projects.

Council will be moving forward very shortly to fill the position of Chief Administrative Officer, which is a very important position within our organization.

Sincerely,

Jamie Ross
Mayor
