

NOTICE OF PROPOSED ROAD NAME CHANGE

File: 5400-01

Date: December 13, 2022
From: Village of Belcarra
Subject: West Road – Name Change

Dear Belcarra Resident,

On November 21, 2022, Belcarra Council approved a motion to undertake a broad public notification regarding the proposed name change of West Road (highlighted in Map 1.0) to Marine Avenue.

Map 1: Portion of West Road Under Discussion (map source: BC Assessment)

The reasons for this name change request are as follows:

1. Life safety concerns and quick access for emergency vehicles
2. Confusion for deliveries, trades, those unfamiliar with the Village road network, etc.
3. There are currently no properties with a West Road address (all addresses for this portion of Road have Marine Avenue addresses)

Given that Belcarra is a small Village, and many residents are familiar with all roads and access points in the Village and could therefore be impacted by the proposed name change, the entire community is being provided with an opportunity to voice their comments.

If you have any comments or questions about the proposed name change, please share them with staff by emailing belcarra@belcarra.ca.

Please note that feedback is required by January 12, 2023, and will be included in a report to Council in the new year.
