

VILLAGE OF BELCARRA

REMINDER:
Village of Belcarra Parking Regulations
Bylaw No. 518, 2018
Residents & Non-Residents

June 26, 2023

This is a reminder that all residents must display a decal that is visible through the windshield of their vehicle and provide their guests with guest parking permits in order to park within the Village of Belcarra. Any vehicle not displaying a decal or guest parking permit will be subject to a bylaw ticket and may also be towed. The Village of Belcarra Parking Regulations Bylaw was adopted in May 2018.

Please note that the Village of Belcarra, in its entirety, is subject to the Parking Regulations Bylaw No. 518, 2018. No areas are exempt. Also, there are a few areas in the Village that are strictly no parking and having a decal does not allow for parking in these areas and vehicles are subject to tickets and towing.

Anyone that still does not have a decal for their vehicle or requires a guest parking permit that does not already have one, please contact the office at 604-937-4100, or send an email to belcarra@belcarra.ca, and we will be happy to assist you.

Thank you,

Paula Richardson
Chief Administrative Officer
