

VILLAGE OF BELCARRA Notice of Low-Level Flying Over Metro Vancouver Regional District

July 5, 2023

The following notification has been sent regarding Low-Level Flying over Metro Vancouver Regional District. Please see the attached map for more information.

Notification of Low-Level Flying over the Metro Vancouver Area

Talon Helicopters will be performing low level flying for LiDAR surveys from July 7-31, 2023 during daylight hours, per Special Authorization issued by Transport Canada.

There will be approximately 14 days of work with flights estimated to be approximately 4 hours per day, covering lines in the District of North Vancouver. Flight time over a single area will be minimal. There will be no activity on the ground related to this flight.

A map of the relevant work zone is attached for your reference. The areas to be inspected include:

- District of North Vancouver
- City of Vancouver
- City of Burnaby
- City of New Westminster
- City of Coquitlam
- Village of Belcarra
- Village of Anmore
- City of Port Moody
- City of Richmond
- Corporation of Delta
- City of Surrey
- City of Langley / Township of Langley

This notice is provided for your information.
