October 13, 2023

The Chief Administrative Officer provided the following statement at the October 11, 2023 Public Hearing:

“Legal Counsel has discovered a section in the OCP that needs to be adjusted. The meeting will be cancelled to another day in the near future. New notices will need to be provided.”

Once a date has been set for a new public hearing, notification will be sent out as per the *Community Charter*, Section 94 [Requirements for public notice] to ensure all residents are notified of the date, time and location of the hearing. The same notifications as provided prior to the original hearing will be given as follows:

- advertisements will be provided to the Tri-City News;
- a notice will be posted on the Village website;
- residents will be notified through the email notification list; and
- a mail drop will be done to provide all residents with a hard copy of the notice.

Thank you.
