

VILLAGE OF BELCARRA
Waste and Recycle Depot
January 19
Intermittent Closure

January 18, 2024

Please be advised that the Waste and Recycle Depot (WARD) will have intermittent closures tomorrow, January 19th, due to the delay in bin pickup from our waste hauler as a result of the recent snowstorm.

As bins are being picked up, WARD will be closed temporarily during that time, and then reopened when it is safe to do so.

We appreciate your understanding and cooperation.
