

NOTICE OF PAVEMENT REHABILITATION

October 22nd, 2024

Dear Residents and owners,

RE: Village of Belcarra – 2024 Marine Ave Rehabilitation

This notice is to inform you of the forthcoming road work improvements on Marine Ave scheduled to take place on October 28th – November 8th, 2024. Dates are subject to change due to inclement weather and other variables.

During the mill and pave operations, significant traffic delays are anticipated. Our goal is to reduce the impacts upon residents during these upgrades while maintaining safe working conditions for our operations and the public.

Please be reminded that there will be limited access to driveways and building accesses near the intersection between 7:00AM to 7:00PM during construction. Should you require access to driveways you will be admitted by on-duty traffic control staff.

We ask that you not schedule any moving or pickups/drop offs that will occupy the lane during our closure. Every effort shall be made to carry out the work with as little inconvenience to you as possible, however, we ask for your patience and cooperation while we work with the Village of Belcarra to perform the necessary upgrades to infrastructure.

Should you have concerns or questions, please reach out to myself or Pamela Sullivan.

Sincerely,

Mo Torabi | Project Coordinator
